Notes on C.H.S.

701

Far Left — Waiting in the guidance office got to be fun sometimes. Bottom Left — Scott tries some tricks with the mirror. Left Center — The patio was a nice place for lunch on a clear day. Top Right — Janette and Cynthia enjoy a break from the daily routine. Bottom Center — Mike tries to make a point to Mrs. Allen. Bottom Right — Mrs. Ricketts patiently listens to a student.

## Capital Pride!?! |

Capital Pride basically involves school spirit. In the decade of the "70's" the students at Columbia High have taken their school's spirit from enthusiastic to apathetic. Some Capitals have given C.H.S. a bad and unfair reputation. These are the students that don't think before they speak — these are the students that say, "C.H.S. is sorry or bad," never realizing that C.H.S. can be a promising and helpful school, necessary to their future.

In the thoughts of many Capitals, Capital Pride is good for its students. So, when you try to define Capital Pride, think of how good the spirit is, and how you can play a part in helping Columbia High School's "Capital Pride" grow stronger!

Top Left — Tina, Lisa and Karen, discuss their plans for the upcoming game. Top Center — Coach Young puts his players through their afternoon drills. Top Center — Mr. Franklin puts the band through a routine. Top Right — The band puts in many hours of practice. Middle Left — Geraldine Lewis shows her Capital Pride through her maroon and gold outfit. Bottom Left — The art council worked hard to make our drab walls more becoming. Bottom Center — Warm-ups are a part of every afternoon for a football player. Bottom Right — The C.H.S. drum line jazzed up the band and dazzled the fans!!!

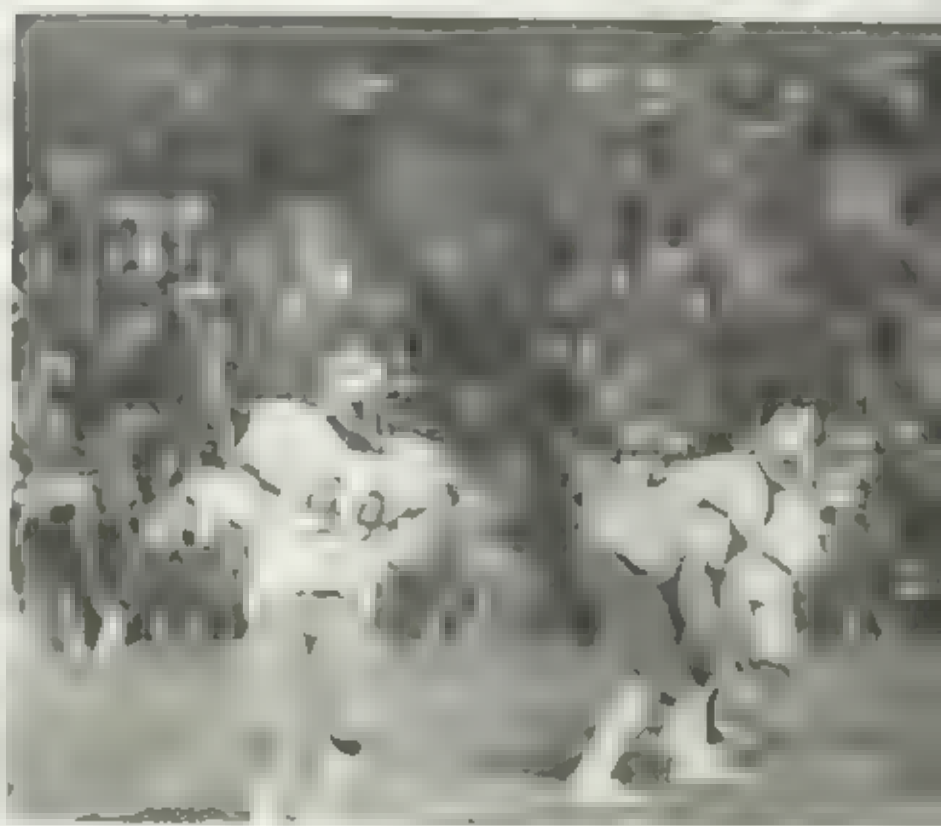

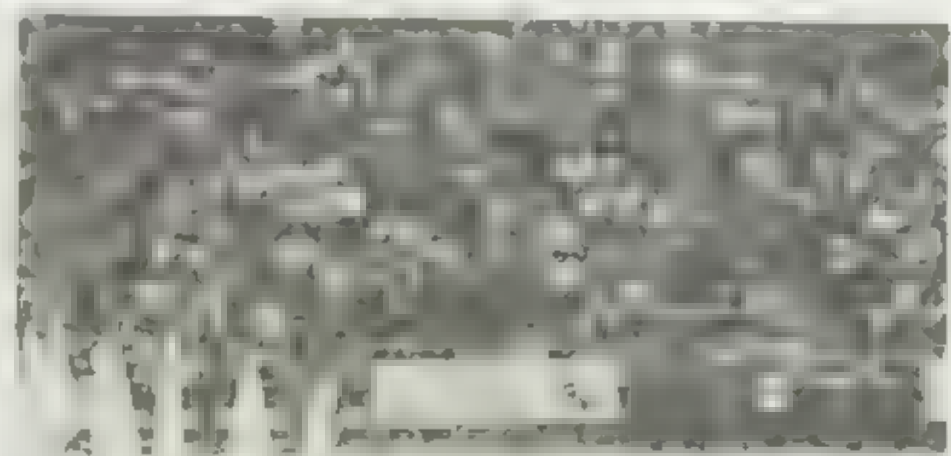

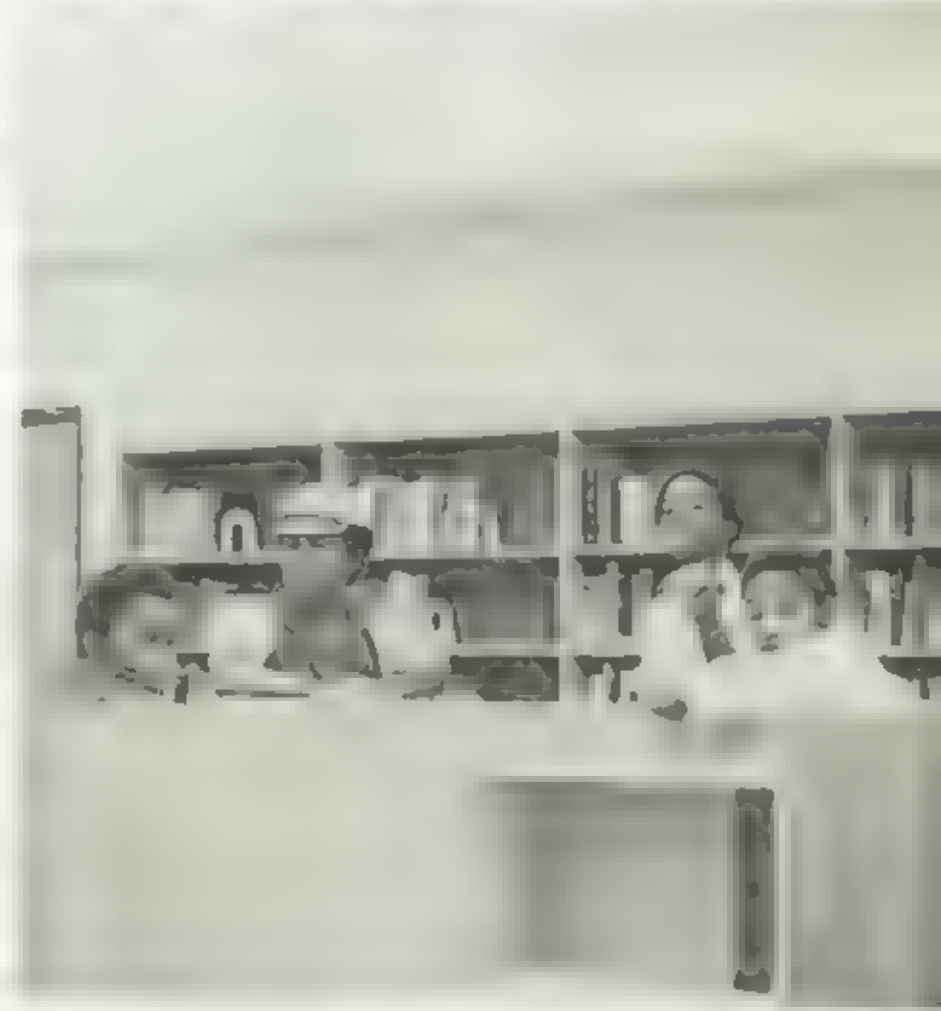

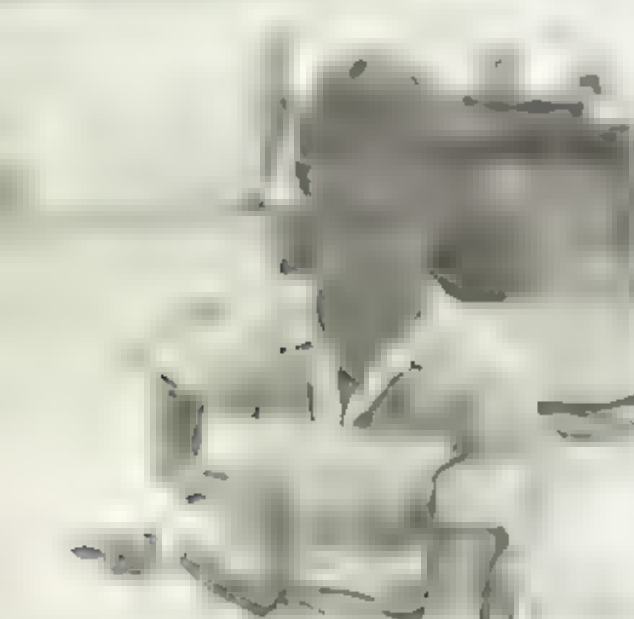

WINTER LUNCHEON

Top to Bottom, Left to Right — Many new places were enjoyed by the students who didn't leave campus for lunch. The fellows love to cool out in the library. David seems to love his school lunch. 1980 pep rallies were the best ever. The band and the football team made Friday nights more fun. Jeff and Tina think that the steps are a great place to stop and talk. Coach Jordan watches the action closely on Friday nights.

Top — Mrs. B. Martin gets some work done while her students use the library. Bottom Left — Lemuel Johnson is always eager to help you in the attendance office. Bottom Right — Vickie Plexico and Sheri Luthren chat while going to class.

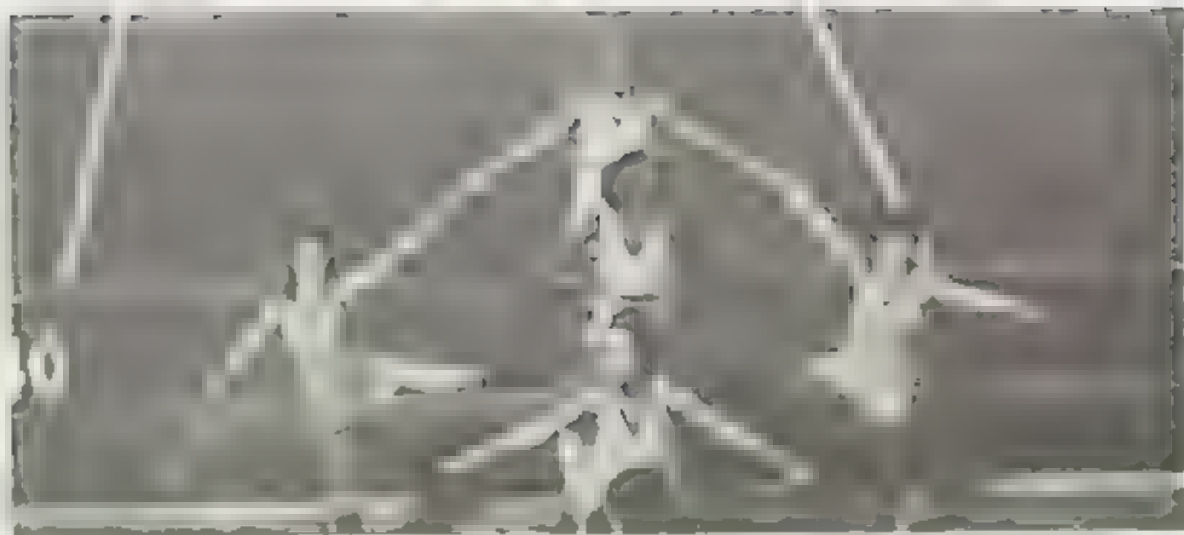

Left — Gym classes offer sports to those who aren't interested in being on the varsity teams  
 Top Right — There is always someone in the library no matter what time of the day  
 Bottom Right — It's vandalism like this which destroys our school. We need to do everything possible to stop it and to repair what has been damaged

Opposite Page — Tracy Young enjoys working with the cheerleaders and smiling at the camera. Top Left — Marilyn checks the morning announcements for her Homeroom. Top Right — Some of the cheerleaders try one of their harder poses. Center — Tom keeps his eye on that guy with the camera. Center Right — Gym offers a chance to get in a game of basketball. Bottom Left — Hurricane David came through S.C. and knocked out the power at C.H.S. Bottom Right — Boy, we work hard!!

student body, control for the

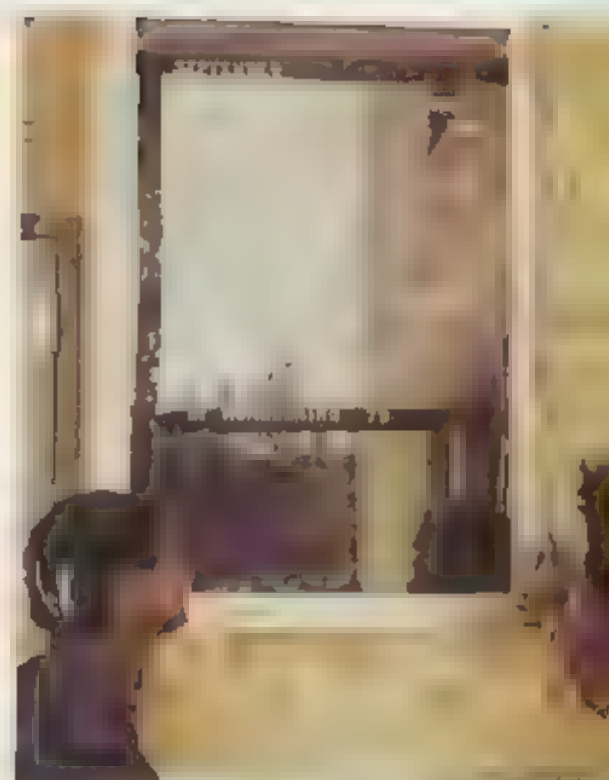

The student body voted for three girls to run for Homecoming Queen 1979. The ballot listed the names of ten girls — six black girls and four white girls. When the votes were counted, three white girls had been chosen as candidates. Many black students were upset because there was no black candidate for Homecoming Queen. After the three candidates

were announced it was discovered that four homerooms had not voted. The question was whether to have a second balloting or to let the first vote stand.

Should elections be conducted according to race or qualifications? Do we have to choose so many black candidates and so many white candidates or do we choose the most capable persons? Some students seem to believe that race is more important

than qualifications. If all officers and beauty queens were selected by race, many jobs would be held by unqualified people. It is always better to choose the best qualified person, regardless of race.

Top Left — Jerry learns about texture in Mr. Vandiver's class. Top Right — Executive Council's directory fills in the students on what is going on. Bottom — After that last bell it feels good to just relax. Opposite Left — Paula learns her steps for the band. Top Right — Lynn tries to get a ride to lunch. Bottom Right — Even with open campus some people still preferred the school.

## *The No. 1 Caps*

Left — Capitals tried to boost the football team for a victory against Irmo. Apparently Irmo had another idea. Caps lost to Irmo 34-0! Right — No matter what time of day it is, there is always someone who is willing to have their picture taken. Here we have another camera-shy couple.

# STUDENTS AND FACULTY BATTLE IT OUT!

Columbia High had a student/faculty basketball game in November for Fernie Sports. All 4 classes and some teachers participated and everyone seemed to have a good time. There was \$1.00 admission for each student which went to Fernie and his family. Everybody rooted for the team they wanted to win and they all seemed to really enjoy it.

## MISS COLUMBIA HIGH SCHOOL

PAM SPANGLER

On May 4, 1979 Columbia High School sponsored the Miss Columbia High Beauty Pageant. As all of the Beautiful young ladies strolled down the aisle, it was difficult to select only one winner from each class. Each young lady put a great effort into the pageant and showed her beauty.

All class winners received a cup signifying their individual titles. The winners were Robin Shealy, Senior class; Leanne Amick, Junior class; Enid Brown, sophomore class; Solom-bra Tucker, Freshman class. Also congratulations go to Pam Spangler, Miss C H S 1979-80, and to Tina Gantt, Miss Congeniality.

On September 27, 1979 Lisa Manini was crowned as Columbia High School's Homecoming Queen. The runners up were, Kelly Newcome, first runner up, Pam Spangler, second runner up; and Janette Bell, third runner up

## HOMECOMING '79-'80

# AIN'T NO STOPPIN' US NOW!

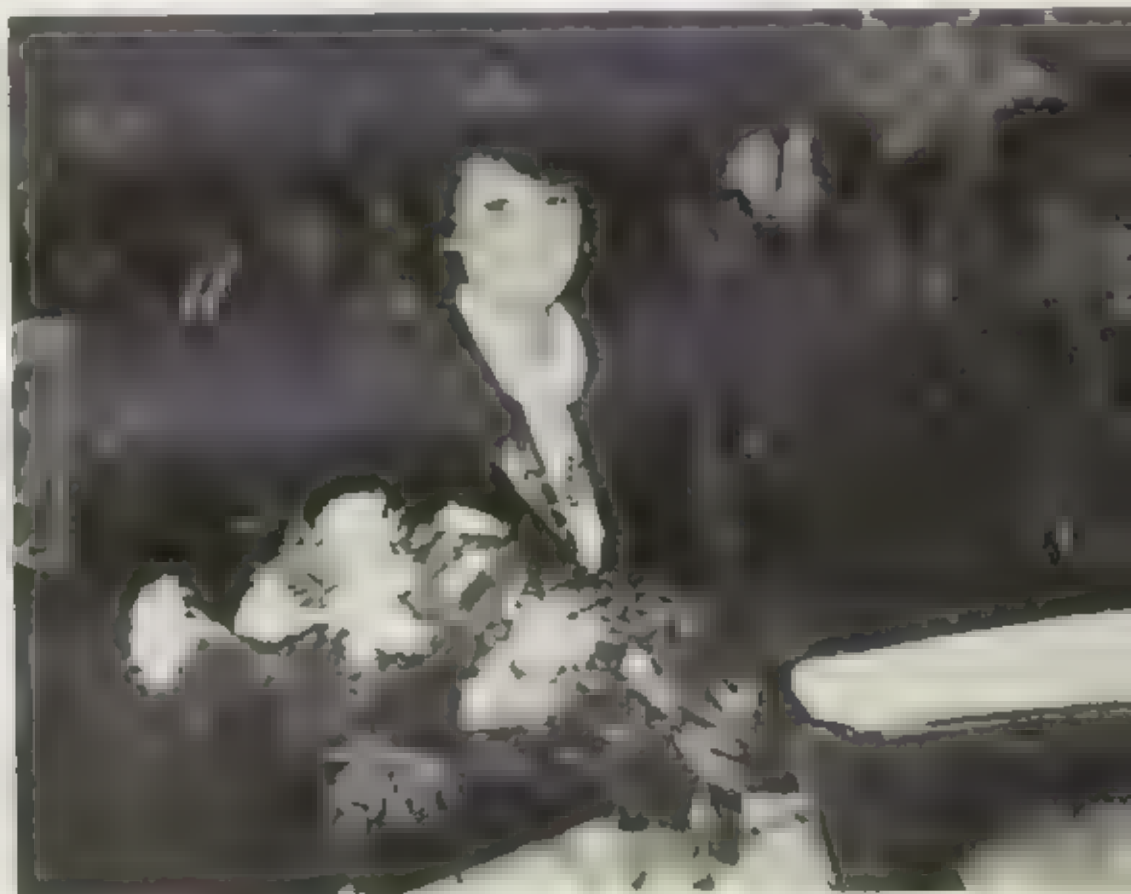

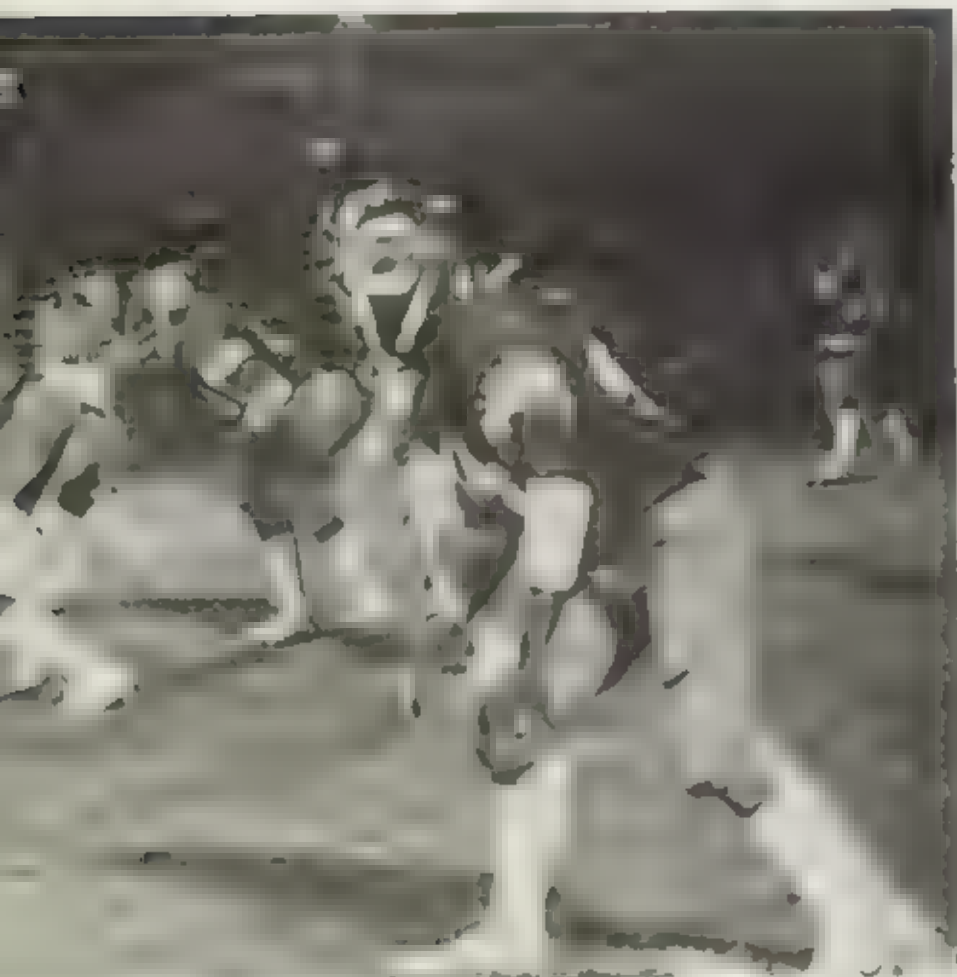

The 1979-80 homecoming game was held at Memorial Stadium on September 27, 1979. We played Richland Northeast and lost 28 to 3. Even though we lost, the game had a lot of pep. Halftime was filled with busy activities such as the caravan, Senior sponsors, and the crowning of the Homecoming Queen.

Top Left — C.H. Band — a bundle of support

Top Right — Miss Homecoming, Lisa Mann, rides in the homecoming caravan

Bottom Left — Caps defense is ready and waiting

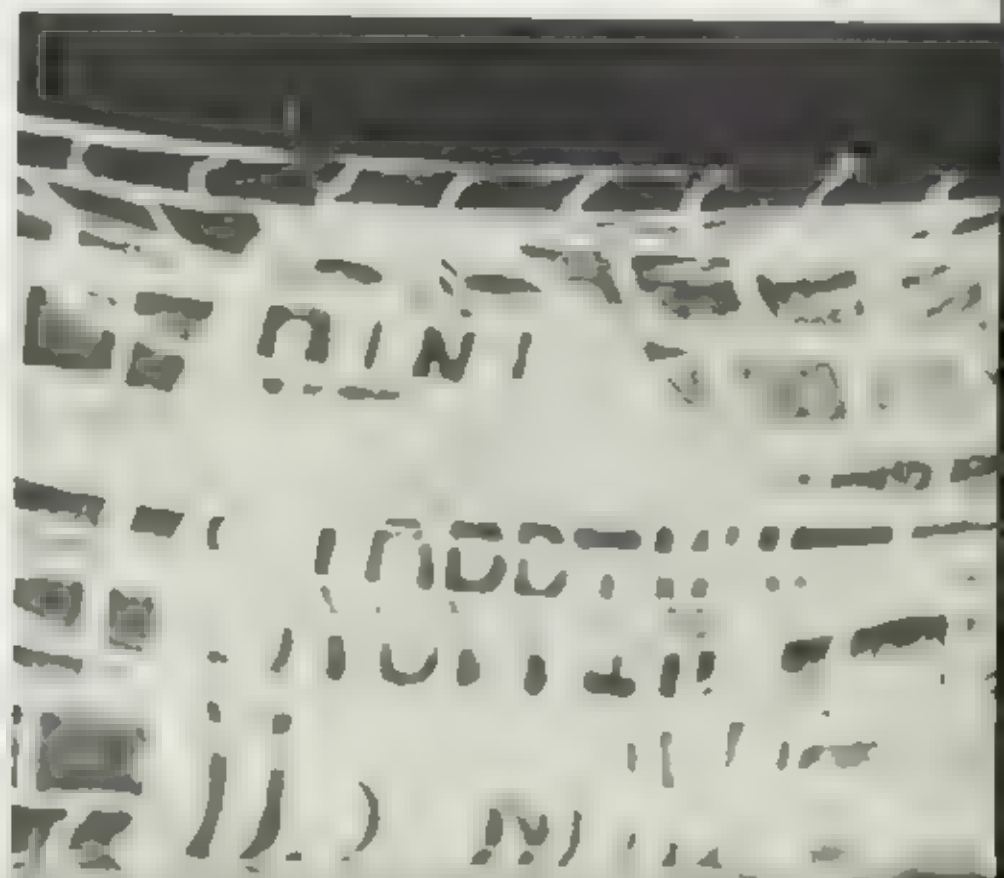

Bottom Right — The cheerleader mascot seemed to enjoy the game

## CAN YOU HEAR IT?

The week of the Homecoming game was full of festivities that everybody seemed to enjoy. Every day there were assigned activities such as T-shirt day, Hat day, Maroon and Gold day, and Off the Wall day. On Thursday the Key-club made their traditional mixture of spirit water which was sampled by many students. The week was very exciting and successful.

## THAT CAPITAL SPIRIT!!!

Top Left — The band is always interested in the team and the crowd. Do we show the same respect?

Top Right — Homecoming sponsors watched their Seniors play.

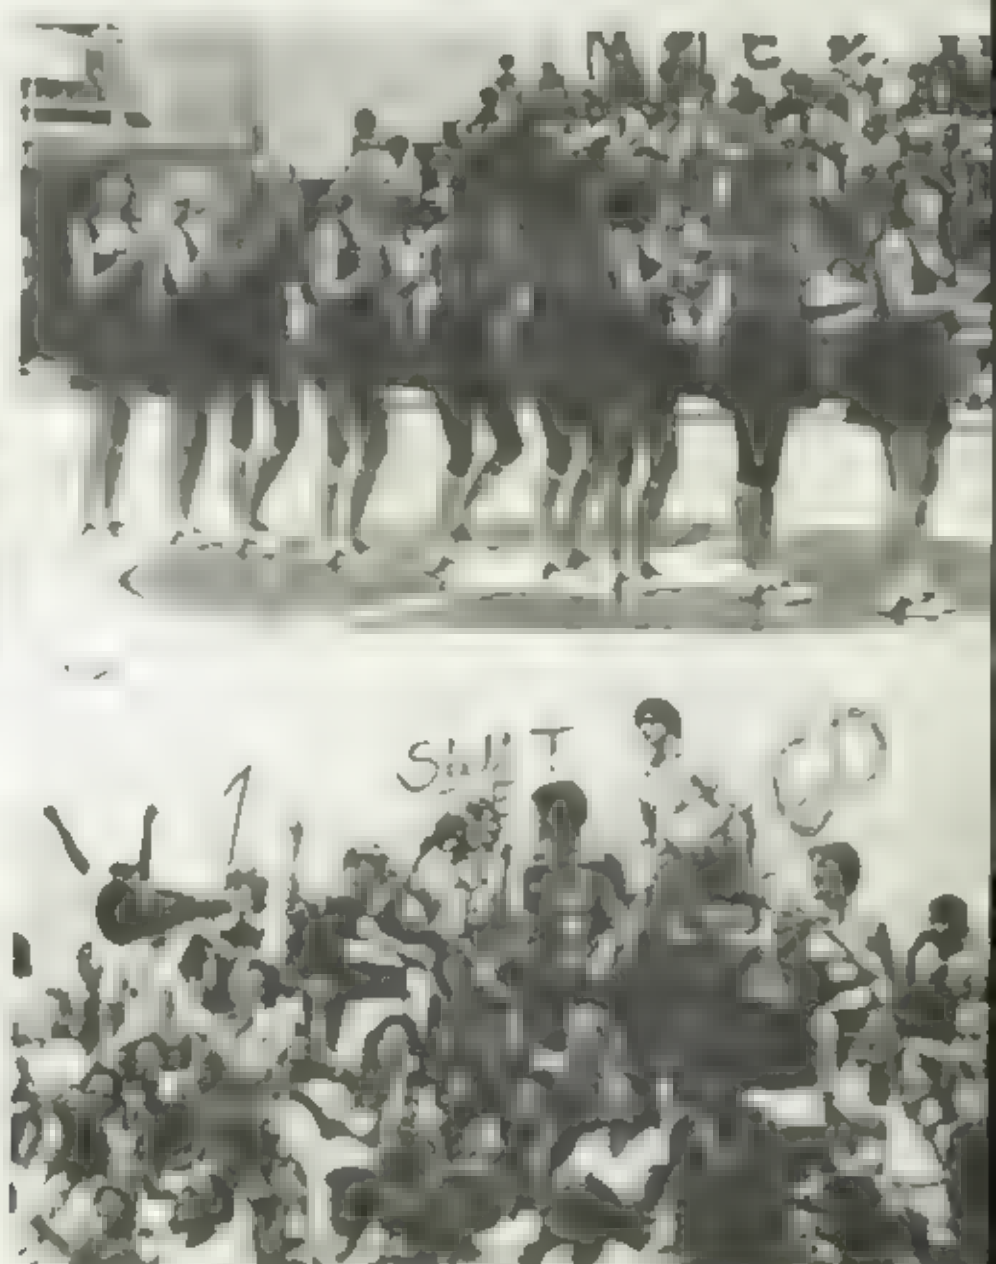

Bottom Left — Carol Bowman led the band in what was a very interesting show.

Bottom Right — The cheerleaders were not very pleased with the score.

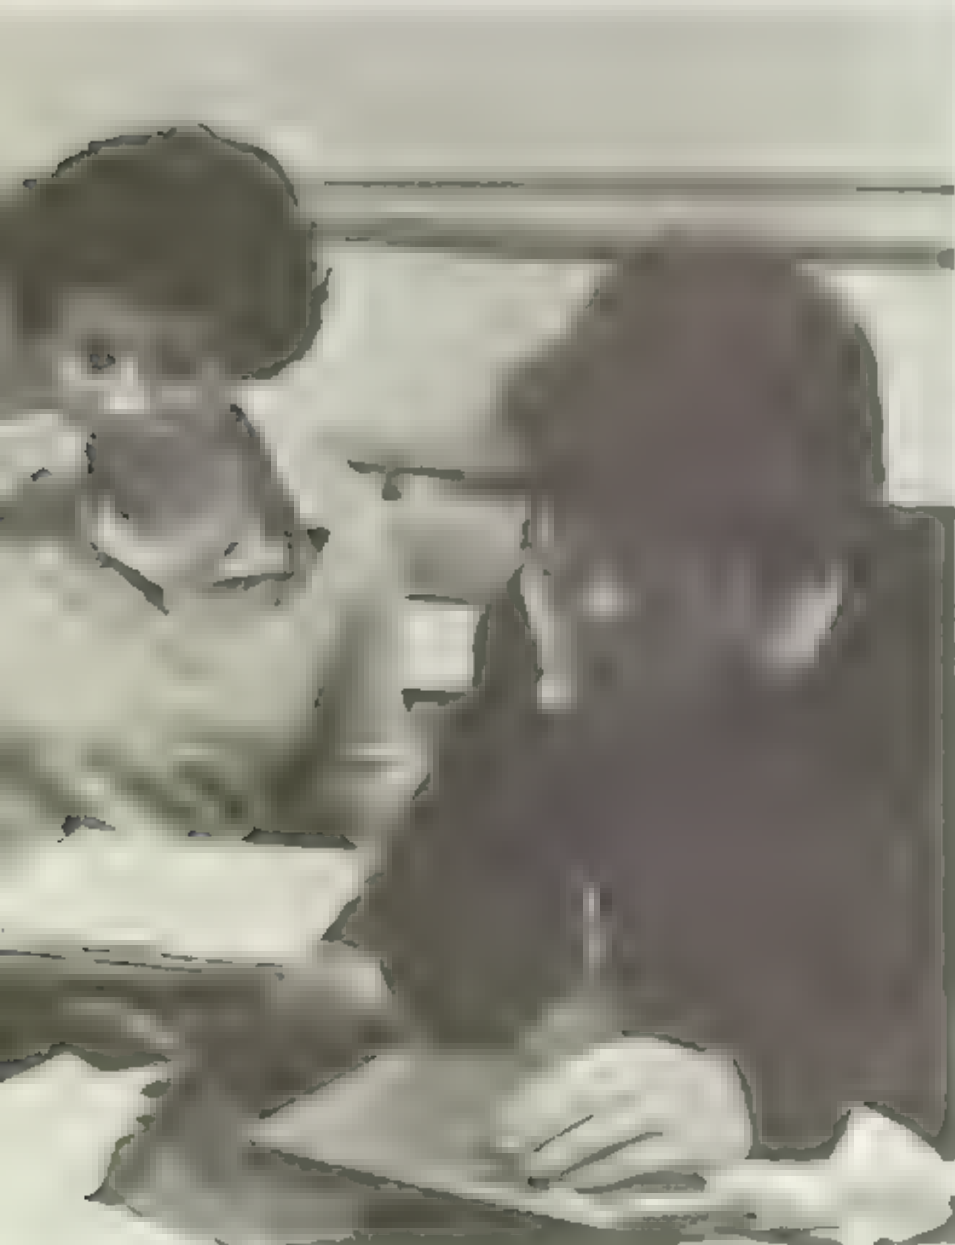

# PEP RALLIES

In 1979-80 Columbia High School had many pep rallies. Of these pep rallies the one before the Homecoming game was the most successful. All of the students participated with spirit. Pep rallies play a very important part in student life. Although some of Columbia High school's students do not support the school during pep rallies and simply sit there in silence, it is only the minority that does this.

## REPRESENTATIVE

## EXECUTIVE COUNCIL

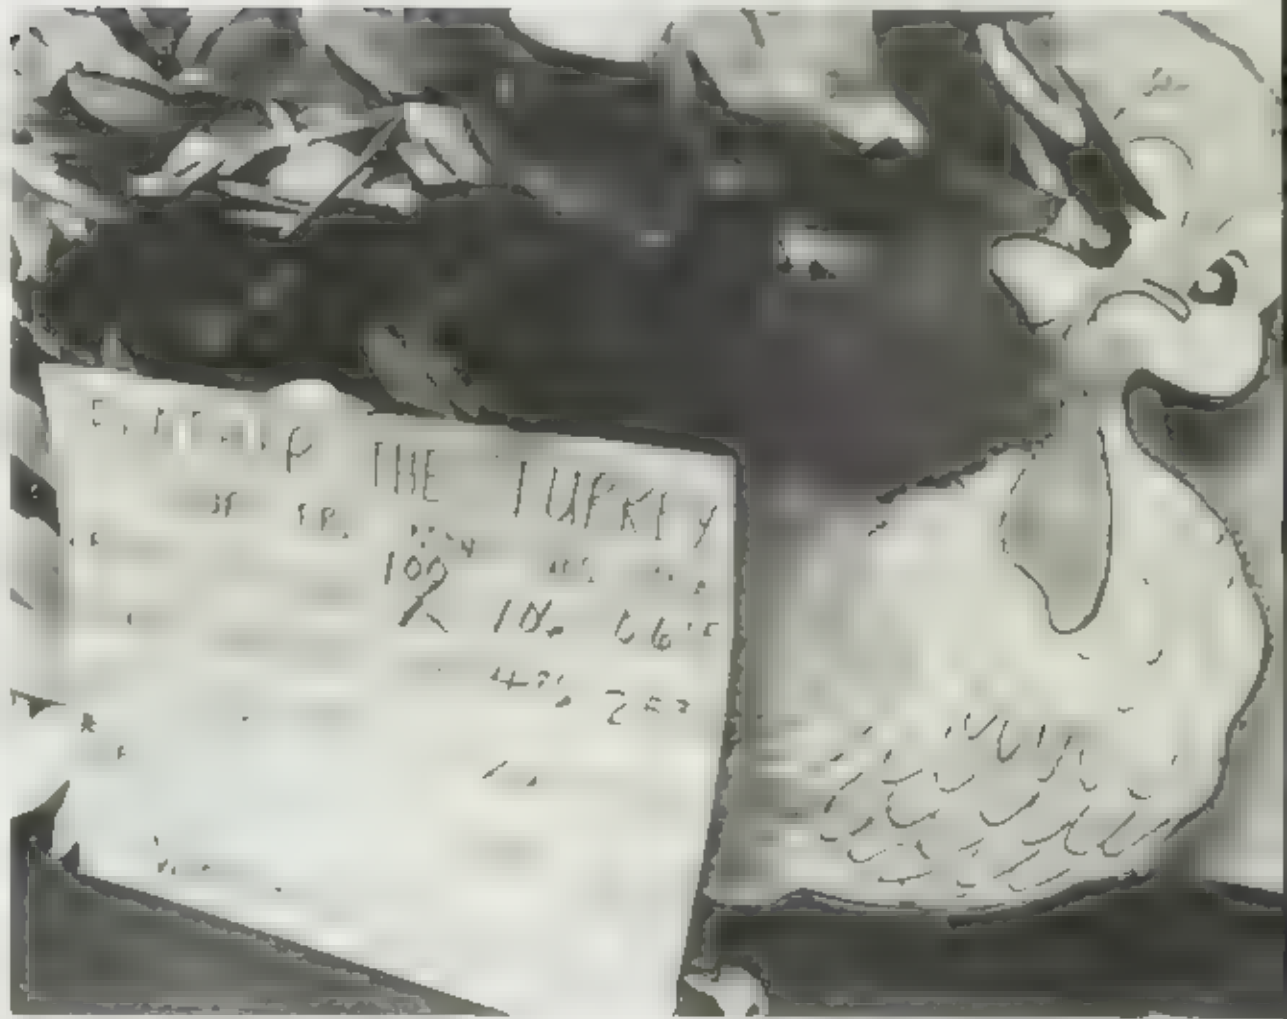

ing representative and Executive Council have done a great job this year as Student Government. They have many projects in which to help the school and community. Throughout the year they have provided us with the necessary student leadership.

# FEATHER THE TURKEY

This year Executive Council sponsored for the first time Feather the Turkey. Each class had different colored feathers. Seniors, yellow; Juniors, red; Sophomores, brown, and Freshmen, orange. Feathers cost 5¢ for two. The class which bought the most feathers won. The seniors won, sophomores were second, Juniors were third and Freshmen had the least number of feathers. The money went towards a small coffee and doughnut break for the teachers the day before Thanksgiving. All of the teachers seemed to enjoy it.

## Booster Club

One of the many things that the Booster Club does for the school is its Athletic Banquet. This is the time when all of the athletes are recognized for the job they have done. Awards are given at these occasions and everyone enjoys a night of fellowship

# NOTEWORTHY PEOPLE

Active students at C.H.S. look forward to receiving the Godbold Awards. These awards are based on extra-curricular points that the students earn. A total of 46 points is needed to receive the Godbold Award. For most students the award is earned in their senior year, however, so few juniors earn enough points to qualify.

The award most coveted by seniors is the Bill Goudelock Award. This award is given to a senior who has displayed outstanding leadership, citizenship, and academic ability. The student who is awarded this honor has been chosen by a committee which spends many hours choosing a deserving recipient. The winner was Milton Kimpson.

Christine Webb Humanitarian Award was presented to Mr. M. D. Gantt for his splendid cooperation, his untiring efforts and his sincere concern for others. This is a tradition that does not look to the past, but to the future.

*Godbold Winners — Rita Bull, Carol Bowman, Felicia Scott, Craig Biles*  
*Back row: Sylvia Aull, Mike Danielson, Lisa Manini, and Kenny Rogers*

# MUSIC

Many students enjoyed the dances that several school organizations sponsored. Local disc jockeys entertained the couples with the normal disco jargon. Without the terrific albums and records the dances would have been impossible. Students who attended enjoyed the music, the dancing, and above all, the company.

1979 was the year when we learned a new music term. Suddenly all of the good music was on "disco singles." These were album size records which contain only one song (usually lengthened) per side. One such single which pushed its way into the ratings was a record with a mixture of singing and talking and played for a full fifteen minutes. Many people were intrigued with this new type of "rapping" and though it was not the first record of this type, "Rappers Delight" brought a new and unique style to our ears.

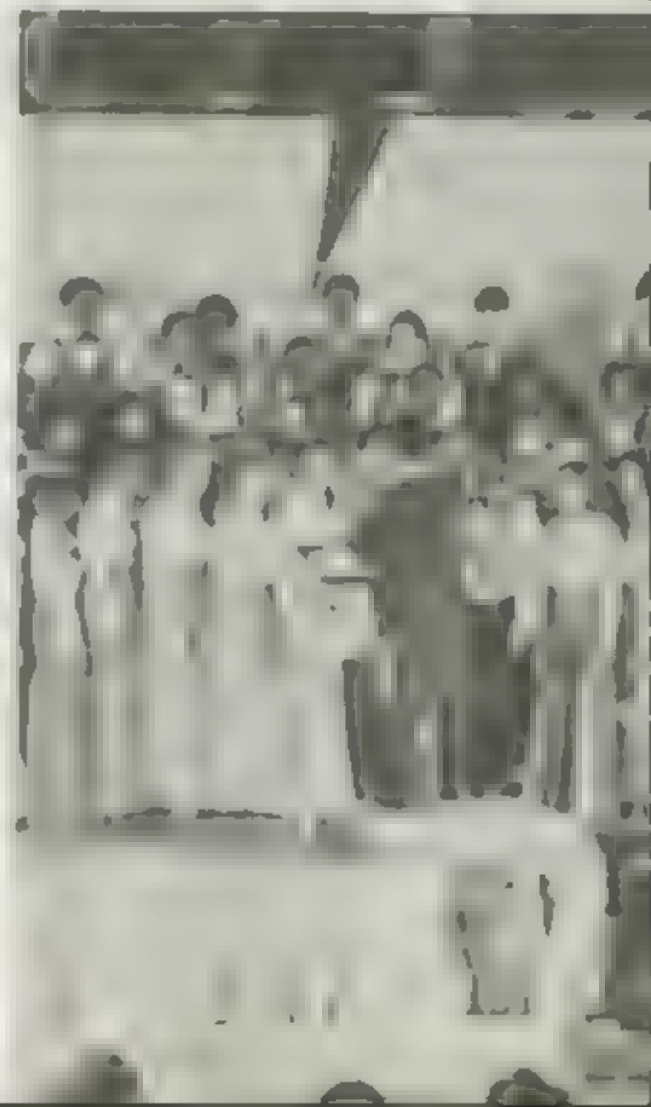

Another music favorite of the past year was someone we met as a little kid in a great group. Now he has matured and his album "Off the Wall" contains many hits. It is rare that an album is this full of great music. However, there are not many people who can compare to Michael Jackson.

Please note. Both of these records are under certain copyright and trademark laws.

## CHRISTMAS

The Christmas season is always a time for happiness, joy and relief that the holidays are finally here. The art council did a good job with decorations. They Decked the Halls with a delightful taste of the holiday season and filled every student with the spirit of Christmas. Many thanks to Mr. Calhoun and his students for doing such a fine job decorating the Christmas tree which was located on the third floor overlooking the front entrance to the school.

## *National Honor Society Installed*

National Honor Society held its installation December 6, 1979. The new members were Mariam Allen, Retha Collins, Craig Biles, Arndrey Dozier, Michelle Laury, Jim Wactor, Mike Danielson, Cindy Pruett, Martha Greene, Rocky Berger, Marian Broadway, Diana Bowman, Rebecca Burnett, Darryl Carpenter, Julie Eleazer, Ruth Armstrong, Kelly Knight, Tanya Kyzer, Melanie Lewis, Bruce Napier, Joel Powers, Bobbi St. Louis, Joyce Stoudemayer and Brian Toms.

## MR. ZODIAC CONTEST

The fourth annual Mr. Zodiac contest was held November 30, 1979. Cap-a-lettes did an excellent job this year with it. Congratulations go to the following winners: David Lanier, Mr. Scorpio; Brady Long, Mr. Libra; Dexter Outen, Mr. Pisces; Bernard Jackson, Mr. Gemini; Benjie Youngblood, Mr. Virgo; Randolph Fuller, Mr. Leo; Charles Ruff, Mr. Aries; Reggie Hopkins, Mr. Sagittarius; Darrel Black, Mr. Capricorn; Pat Barber, Mr. Cancer; Karlton Dixon, Mr. Aquarius; (Eric Westbury) Mr. Taurus, and Todd King, Mr. Zodiac 1979-80.

## *Vandalism: A Growing Problem*

School vandalism was a problem at Columbia High this year. If the students would all work together, this problem could be eliminated. Instead of watching people throw trash on the ground tell them to pick it up and let them know it isn't appreciated. Next year let's make the school a more pleasant place.

The 1979 football season was not the best. However, our football team has nothing to be ashamed of because the players showed great spirit at each game. They had the desire to win and they played hard. The student body exhibited much enthusiasm at the games, and they did not let the losses affect their attitude towards our school and team. We look forward to a better season next year with the same enthusiasm for the team.

## *"The Days Are Not Forgotten"*

On September 22, 1979, a Columbia High School student Pernell Starks was injured in an unfortunate car accident. Pernell was admitted to the Baptist Hospital with a neck injury. Nurses and Doctors said "Pernell has a lot of spirit towards getting well again."

Pernell's parents would not let him give up. They supported him in his recuperation and they also moved into a new house to accommodate him in a wheelchair.

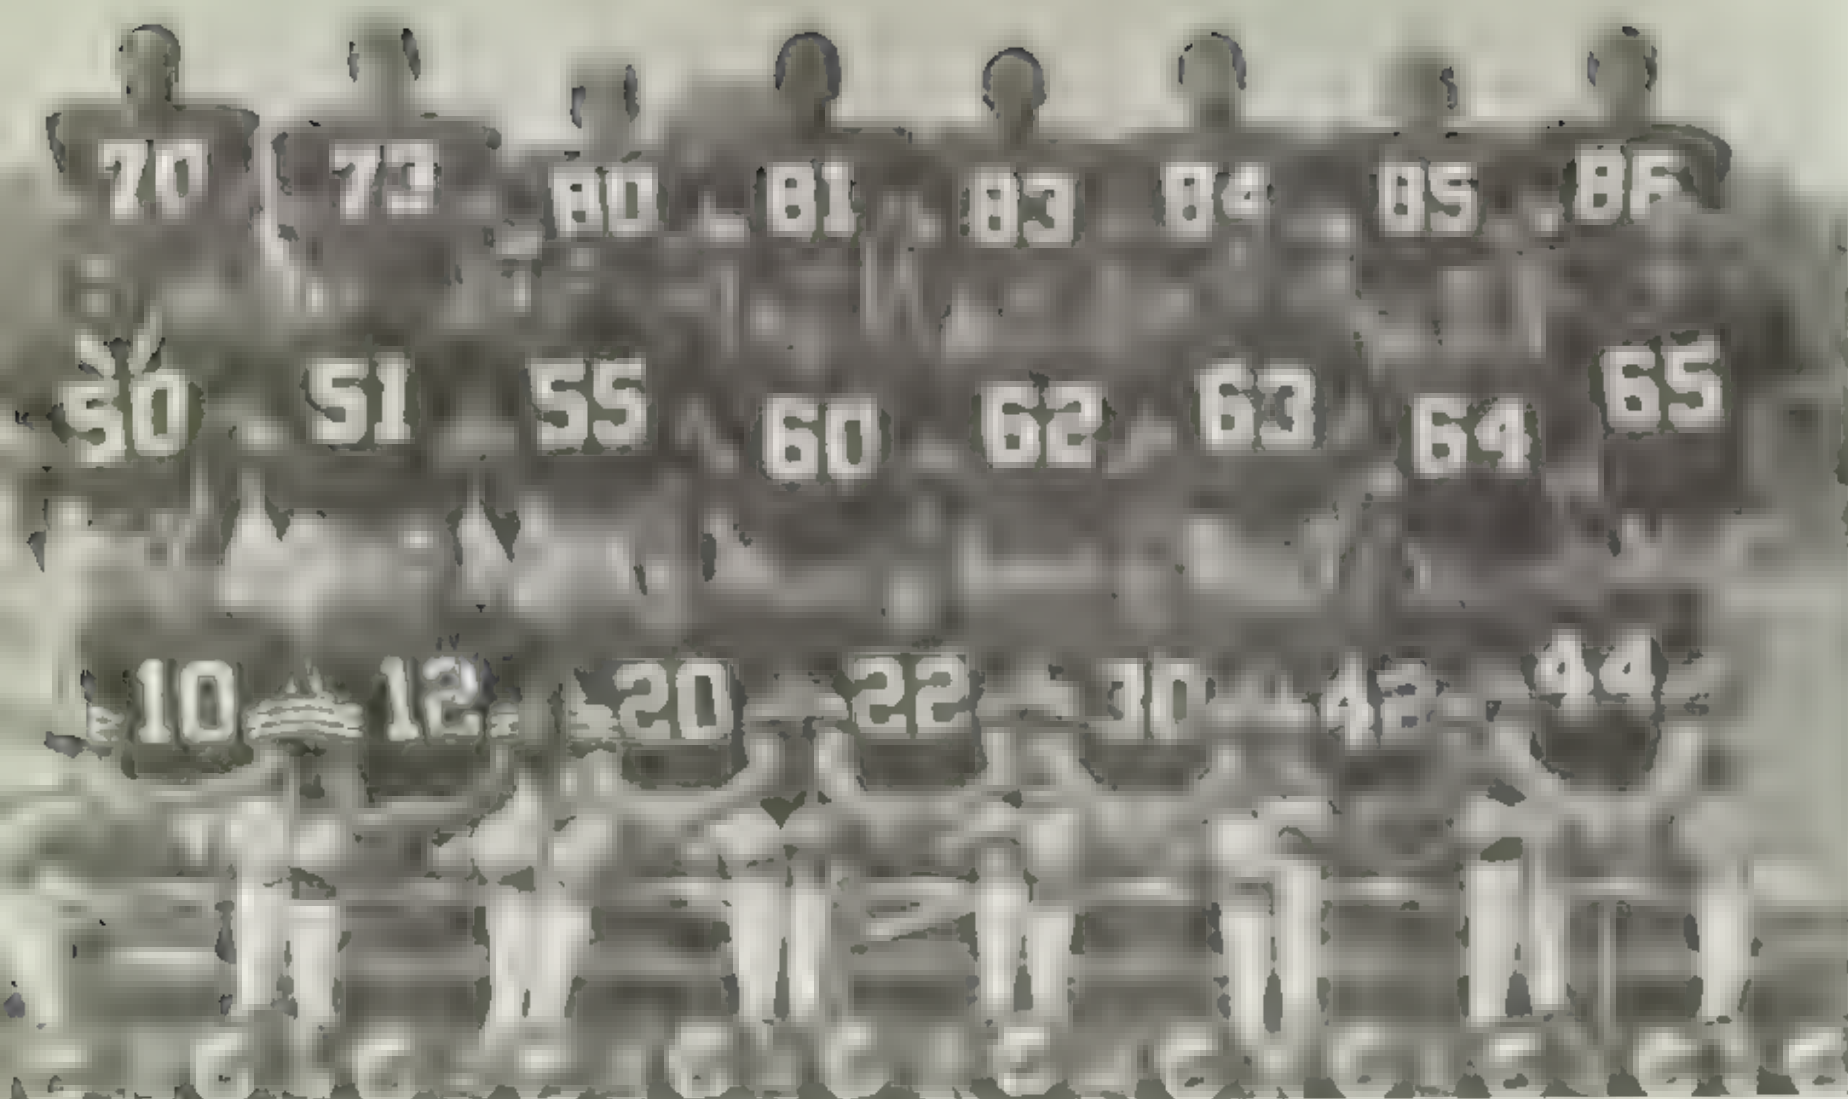

Columbia High School students attended a student-faculty basketball game played in honor of Pernell. The theme for this activity was "PUGGY DAY." The students and faculty members demonstrated their love for Pernell.

Columbia High School students also visited Pernell while he was still in the Baptist Hospital, because later he was to be transferred to a rehabilitation center in Greenville. Although he was a few miles away, the Columbia High School students and others continued to show their feelings for him in letters, cards, phone calls, and gifts.

As a member of the varsity football, basketball, and baseball teams, Pernell is a brilliant person and student who never fails to come to the aid of his friends. He has always showed his love and his pride in being a member of the Columbia High School student body.

For these reasons Pernell will never be forgotten by his fellow teammates nor his loving friends at Columbia High School.

The J V football team had a very good year with 6 wins and 2 losses. We had lots of Capitol Pride and wanted the coaches and the school to be proud of us. Even though we goofed off in the locker room, we were all serious about winning. The team gave up just one time, and it cost us the loss to Spring Valley. The coaches were behind us 100% even though we were sometimes down on ourselves. All in all, we enjoyed the season and hoped to be the future varsity football team.

Soccer to CHS is a sport which is growing and is showing the state that we can be number 1

Soccer to the viewer is grueling 45 minutes halves, constant running and contact, very few timeouts and continuous work

Soccer to the fan is screaming for the player, the heart jump as the goalie stops the ball, the joy as the tired, ragged home team runs in victorious

Soccer to the player is practice practice, practice, a slew of new terms like "don't bunch," "man on," and "cross"; and the feel of the adrenalin flowing as the ball flies off of your foot, passes the goalie and crashes into the net

# Languages: English

Another year of language study — why do we have to have four years of English? Do we really need to study a foreign language if we plan to go to college? We can't be on parts of speech again! We have had the stuff since grammar school. The teachers tell us it is for our own good, that studying English helps us understand mankind. I don't really know how that is true, but maybe so. I guess that it is not so bad to study language, even if it is boring at times.

# Social Studies:

I feel that the history department at Columbia High is one of the most adequate in the Columbia area. It provides enrichment in many areas of history instead of just the traditional history classes. The history students at Columbia High school should consider themselves lucky because we also have an excellent staff of history teachers.

## Science

The Science Department at Columbia High is really great. There is a wide variety of classes, including anatomy and botany. The teachers make the science classes interesting and they are cooperative, and willing to work after school with students who need help. The Science Department not only has good teachers, but it also has many resources, such as films, chemicals, animals for dissecting and experimental apparatus. If the students are willing to work, the teachers can greatly aid and advance them in the interesting field of Science.

— Student in the Science Dept

Working in the library is a great educational experience. Working with film projectors, making tapes, laminating, and preparing books to be put on the shelf are just a few of the many interesting jobs that a library assistant learns to do. One does not receive a credit for being a library assistant, but it is a very enjoyable class.

Being an office assistant in guidance gives one a feeling of pleasure. As an assistant, one develops more self-respect and one becomes more responsible. Some of the tasks that an office assistant performs are running errands, teaching students to operate the computer, and helping to locate students by looking up their schedule cards.

# CHORUS

This year the club pictures were taken on a day when the chorus was not present. They were giving one of their benefit performances for other schools. Therefore, many of the people who are very active were not pictured with their organization. Even though they are not pictured we could not do without them.

The chorus as a group gave many beautiful and enjoyable performances which were enjoyed by all.

\*denotes a person who caused delays and possibly made the book late

As you can tell by the list of staff members, there was not an overwhelming number of people who wanted to work on the yearbook. These few people worked very hard to get done. The fact that you even have a yearbook is because of these people. In fact, if there is not a larger staff in the future, then there may not be a quality yearbook for you to glance at. Please do not criticize these people unless you first realize what they have done. I hope that the seniors enjoy this publication and I hope that the underclassmen enjoy this one and many more.

Sincerely,  
Craig Biles

VICKIE,

THIS HAS INDEED BEEN A YEAR FULL OF MANY SURPRISES, AND YOUR ONE OF THEM. VICKIE IT STARTED OFF AS JUST A REGULAR OLD FRIENDSHIP, BUT NOW IT'S MORE THAN THAT. YOU KNOW IT NOT EVERY DAY YOU MEET SOME<sup>ONE</sup> THAT IS AS BLIND AS YOU ARE ~~GO~~ @, BUT SERIOUSLY IT'S NOT EVERY DAY YOU MEET A YOUNG LADY WITH A SMILE AND PERSONALITY THAT IS AS INNOCENT AS YOURS. VICKIE, AS YOU GO ON THROUGH LIFE THERE IS ONE THING I MUST ASK YOU TO DO FOR ME AND THAT IS NEVER-EVER LET THE THOUGHTS OF ERIC WESTBURY LEAVE YOUR MIND, BECAUSE I KNOW YOU WILL FOREVER BE IN THE MOST CHERISHED THOUGHTS IN MY MIND. YOU KNOW I REGRET IT VERY MUCH THAT I DIDN'T GET TO KNOW YOU LAST YEAR, I DON'T KNOW HOW I LET A
